A MESSAGE FROM OUR PRESIDENT & CEO

This year, we are delighted to bring back our annual Covenant Foundation golf tournament (formerly Everyone's a Winner). Renamed the Covenant Cup, we have re-imagined our event to make it bigger and better than ever - a tournament you won't want to miss!

Please join us as we tee off on September 11 at The Quarry, Edmonton's finest destination for championship golf. Nestled along the North Saskatchewan River, it's the perfect setting for a day of fun and networking while getting in 18 holes, followed by a dinner and auction - and all in support of an important cause: seniors' health and well-being.

From sponsorships and registrations to donating auction and raffle items, we look forward to partnering with you and shining a spotlight on your commitment to seniors' care in our community.

ABOUT OUR FOUNDATION

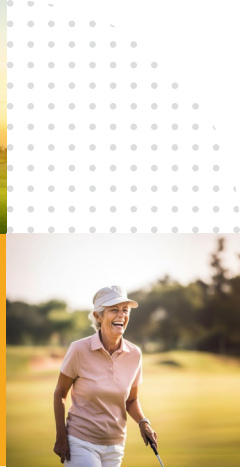

For over 30 years, Covenant Foundation has helped to create vibrant communities of health and healing for people from all backgrounds, faiths and circumstances, through every stage of life. With the help of generous partners like you, we raise vital funds to advance care at 22 Covenant Health, Covenant Care and Covenant Living hospitals and continuing care sites across Alberta.

Focusing philanthropic support on health issues facing vulnerable and under-served populations, and on the unmet needs of communities, our priorities include: seniors' health and well-being, mental health and addictions, rural care, and palliative care.

ABOUT OUR CAUSE: SENIORS' CARE

The population of seniors in our province continues to rise faster than all other age groups, bringing complex health needs that range from acute hospital care to continuing care, supportive living, rehabilitation and palliative and end-of-life care.

Protecting and improving the health and well-being of seniors in our province is of vital importance. It's an investment that not only ensures the best possible care for our parents, grandparents and elders today, but also helps innovate seniors' care that will benefit all of us as we age. We need your help to keep up with the demand and take bold steps to continue transforming seniors' care. Thank you for your support!
