

2021-22 Committed Funds

Generous donors like you are the reason we were able to commit **more than \$2.5 million** for leading-edge programs and services, state-of-the-art equipment, enhanced care spaces, and specialized research and education to help transform health care at the 20 Covenant hospitals and continuing care sites we support across Alberta.

Thank you for your tremendous ongoing support as we work hard to help transform health care for all Albertans – through every stage of life – in the moments when it is needed most.

Facility Name	Department/Unit	Project Description	Committed Amount	Grant Category
Misericordia Community Hospital	Operating Room	Multidisciplinary Microsurgery Microscope (sees very high volume in Breast Cancer Surgery/Breast Reconstruction with around 70% of breast cancer surgeries completed in the Edmonton Zone; with the highest rate of same-day mastectomies in Alberta; this technology also enables the expansion of the lumbar spine surgery program)	351,284.00	State-of-the-Art Equipment
Edmonton General Continuing Care Centre	Administration	Revitalization of Resident Areas	200,000.00	Revitalizing Facilities
Misericordia Community Hospital	Operative Services	Introduction of Mobile Operating Orthopedics Table (sees 730+ hip and knee arthroplasties annually)	148,619.00	State-of-the-Art Equipment
Unspecified Covenant Care Facility	Covenant Care	Tovertafel Table (7) and Motiview Peddlers (8 sites)	100,000.00	Tomorrow's Possibilities (Research & Innovation)
Grey Nuns Community Hospital	Respiratory Programs and Services	Neonatal and Adult MRI Transport Ventilator	67,828.69	State-of-the-Art Equipment
Misericordia Community Hospital	Operative Services	Optimization of bladder cancer surgery: Photodynamic Diagnosis (PDD) to aid in tumour detection at first TransUrethral Resection of Bladder Tumors (TURBT) and reduce recurrence rate	63,200.00	State-of-the-Art Equipment
Edmonton General Continuing Care Centre	9Y Palliative Care	Furniture Request and Patient Fridges to revitalize shared spaces and family room in palliative area	50,000.00	Revitalizing Facilities
Misericordia Community Hospital	Rehabilitation Services, Speech Language Pathology	TIMS DICOM 2000 SP (Pentax Medical Digital Swallowing Workstation (DSW) used by Speech Language Pathologists to record and review Modified Barium Swallow Studies	43,050.00	State-of-the-Art Equipment
Grey Nuns Community Hospital	Medicine	Bariatric Patient Care Beds	55,400.00	State-of-the-Art Equipment
Grey Nuns Community Hospital	Neonatal Intensive Care	Point of Care Ultrasound that allows healthcare practitioners to ultrasound sick babies at bedside during critical intensive care, and make immediate, life-saving treatment decisions right at the bedside	35,942.00	State-of-the-Art Equipment
Edmonton General Continuing Care Centre	Nursing Units	XL Lift for Bariatric Care	32,000.00	State-of-the-Art Equipment
St. Joseph's Auxiliary Hospital	Bathing Spaces	Bathing Spaces, Second Floor	315,000.00	State-of-the-Art Equipment
Grey Nuns Community Hospital	Operative, Endoscopic and Recovery Services	Bariatric Stretcher for Operative Patients	40,000.00	State-of-the-Art Equipment

Banff Mineral Springs Hospital	Long Term Care	LTC Outdoor Enhancement: Resident & Family Recreation & Common Area to create an intentional, multi-functional, and engaging outdoor space that provides residents with a quiet place to reflect, safely visit with their loved ones, each other, or their care-providers, as well as participate in recreational, spiritual, and rehabilitative activities	36,041.43	Tomorrow's Possibilities (Research & Innovation)
